Business Income Tax Extension Request

NOTE: The Form 20-E is not required if an electronic payment has been timely initiated, which properly identifies the payment as a payment for an Alabama Form 20-E extension request. The Alabama Department of Revenue Web site at www.revenue.alabama.gov provides additional information concerning electronic tax payment requirements and form preparation requirements.

WHO MUST FILE: The Alabama Form 20E, Business Income Tax Extension Request, must be filed by a taxpayer if the taxpayer is unable to timely file an Alabama Form 20C return, an Alabama Consolidated Form 20C-C return, an Alabama Form 20S return, or an Alabama Form 65 return. The Form 20E must be filed <u>if</u> the required payment accompanying the request is less than \$750. Payments of \$750 or more must be made electronically. If a timely-filed Alabama Form 20E extension request has been submitted by the taxpayer for a Form 20S or Form 65 return, the extension will also apply to any Alabama Form PTE-C return the taxpayer must file.

WHEN TO FILE: Alabama Form 20-E and its accompanying payment must be post marked by the due date of the taxpayer's Alabama business income tax return (Form 20C, Form 20C-C, Form 20S, or Form 65).

WHERE TO FILE: Mail Form 20-E extension requests as follows:
